

Reliable Emergency Service

In the event that your equipment needs servicing now, you have peace of mind knowing we're only a phone call away. We provide 24/7 emergency service. Contact Phillips Heating & Air Conditioning today to discuss your repair and service needs, or to learn about your choices for a sustainable and cost-effective new HVAC system.

AC Cover

\$98

Help protect your unit from the weather conditions such as snow and ice. Having a cover can also help with preventing critters from residing in your unit as well.

EcoBee Thermostat

\$632

With built-in Amazon Alexa Voice service, the EcoBee can listen to your voice commands and respond. The EcoBee can be remotely controlled from your smartphone or tablet.

UV Light (2) lamps

\$826

This UV lamp is designed to kill bacteria and mold growing on and around the indoor coil. It also helps minimize microbial build-up on coils and drain pans and prevents it from becoming airborne. Bulbs will need to be periodically replaced.

Aprilaire Air Cleaner

From \$796
W/ Furnace Install \$550

This media cleaner traps 98% of visible airborne dust that travels through it and permanently captures at least 97% of airborne pollen-sized particles. It provides 10 times more filtering than a standard 1" throwaway filter.

At Phillips Heating & Air Conditioning, our priority is you, the customer.

Fire Extinguisher

\$83

Flare ups in the kitchen are very common. Making sure you have a current fire extinguisher at the ready can help prevent the spread of the fire quickly.

Infinity Air Purifier

From \$1,996

The Infinity Air Purifier features patented Captures & Kills™ technology that kills or inactivates up to 99% of trapped viruses, germs, pollen, mold, and bacteria. It features a long-life MERV 15 filter.

Eaton Surge Protector

\$431

Protect your entire home with Eaton's residential surge protection. Installs at your electrical service panel to reduce harmful surges before they travel to individual electronic devices.

CO Detector

\$114

Alerts you to carbon monoxide (CO) which is an invisible, odorless, tasteless, nonirritating, poisonous gas that is completely undetectable to your senses.

Compressor Blanket

\$278

Brinmar Sound Blankets are a popular solution for reducing compressor noise from air conditioners or heat pumps, creating a more comfortable living environment.

Water/Freeze Detector

\$195

The Lyric Water Leak and Freeze Detector is an early warning system that notifies you on your smartphone when a leak is detected or the temperature drops below a temperature of your choice.

Reme Halo Duct Mounted

\$1,035

The HALO is designed to eliminate sick building syndromes risks by reducing odors, air pollutants, VOCs (chemical odors), mold, bacteria, and viruses. Bulbs will need to be periodically replaced.

Reme Halo Plug-In

\$363

The advantage of the Reme Plug-in is its ability to be used in any room and be completely inconspicuous. It plugs directly into a wall outlet, or your vehicle's 12 volt outlet, and can be used with or without its internal fan.

Bypass Humidifier (M)

From \$700

Manual control keeps the humidity level at a set level based on your settings. Unit is sized to your home's needs.

Bypass Humidifier (A)

From \$1,025

Features automatic controls and an outdoor temperature sensor plus a built-in damper. Unit is sized to your home's needs.

Safe-T- Switch

\$198

Safe-T-Switch is the most reliable over-flow switch available. It detects clogged air conditioning condensate drains and shuts off the system to prevent water damage to the structure.
